

5) Yes, we ask for a lot of information. This information allows us to cross check data supplied by you and is part of our quality control program that insures proper fitting sails. We do not necessarily need it all, as in the case where a customer supplies luff, leech and foot measurements for the sail.

Best regards,

Michael

Minimum Sail Manufacturing Requirements;

Please be sure to click all of the [HELP](#) topics below for each item so we are sure your sail is exactly the sail you wish.

If you are unable to click the below help topics for any reason, please contact us as these details are very important for performance sails.

I,J,P and E must ALWAYS be checked.

x

Headsails;

We need the Maxluff or NetLuff for all furlers. See help topics.
