

Farastsails.com Sail Slides:

Note: In selecting slides you should be looking at slide width or diameter in regards to slugs. Many different sizes will fit a mast, but the width and diameter are the controlling features, length has little issue.

- 5/16" = 7.93mm
- 3/8" = 9.52mm
- 1/2" = 12.7mm
- 5/8" = 15.88mm
- 3/4" = 19mm
- 7/8" = 22.2mm

Tolerance around 1mm
